May 31, 1935.

WELL TO BE ABANDONED

West Main

Loc: 1400

Well No. 639

In Martinsburg, West Virginia

Gentlemen—

The undersigned well operator is about to abandon the above described well and will commence the
work of plugging and abandoning said well on the 10th day of June 1935
(which date shall not be less than five days after the day on which this notice is received, or in
due course should be received by the Department of Mines).

This notice is given you in order that your respective representatives may be present at the plugging
and filling of said well. You are further notified that whether you are represented or not represented the
undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner
required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this
notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours, Hope Natural Gas Company

W. S. G. Co.
W. S. G. Co. General Supt.

NOTE: Upon the abandonment of all wells drilled prior to June 1, 1929 a plat prepared by a competent en-
gineer, showing the location and course of the line of land is located in the name and address of same. The
same is on file in the office of the Department of Mines and is available for inspection by all interested parties.
