**S. A. Wallace**

**G. W. McConnell,**

being first duly sworn, depose and say that they are the owners of the well of above

and being so sworn depose and say that they are employed by **Trainer & Travis** and participated in the work of plugging and filling the well and that the same was completed on the

18th day of August 1929. and that the well was plugged and filled in the following manner:

Water is which was developed. Filled from bottom of hole with mud and sand to 1885 feet; male and female wood plugs set with solid wood plug on the top, lead plug set on top, at 1875 with two bags of cement on top of plug.

Water is which was developed. Bridged hole at 100 feet, filled with mud and clay to 535 feet; then filled with cement and water to 479 feet; after the cement had set, filled the hole with clay and mud to the surface.

and that the work of plugging and filling was completed on the 18th day of August 1929.
