715 900 N

There is a lot of handwritten text at the bottom of the page, which is mostly illegible due to blurriness and fading. The text appears to be a list or a set of notes related to the map above. Some words like 'Tanner', '2006', and '715' are visible, matching the text at the top of the page. The text is organized into several lines, possibly representing a data table or a series of observations.
