PERMIT MODIFICATION APPROVAL

August 08, 2013

HG ENERGY, LLC
5260 DUPONT ROAD
PARKERSBURG, WV 26101

Re: Permit Modification Approval for API Number 3305764 , Well #: T.J. CHAPLAIN #240
Modified Access Road

Oil and Gas Operator:

The Office of Oil and Gas has reviewed the attached permit modification for the above referenced permit. The attached modification has been approved and well work may begin. Please be reminded that the oil and gas inspector is to be notified twenty-four (24) hours before permitted well work is commenced.

Please call James Martin at 304-926-0499, extension 1654 if you have any questions.

Sincerely,

Gene Smith
Regulatory/Compliance Manager

RE: Request for Revision
T. J. Chaplain No. 143 (47-033-5775), 144 (47-033-5753), & 240 (47-033- 5764)
Ten Mile District, Harrison County
West Virginia

Dear Mr. McLaughlin:

During a recent meeting, Mr. Edgar Myers, representing his Mother, Mrs. Edith Myers requested HG Energy make a change to the access road to the T.J. Chaplain Wells 143, 144 and 240. Enclosed are the revised reclamation plan and topo map for each well. Also enclosed are the copies of the certified mailing receipts for this request for revision to the three permits to drill wells.

Should you have any questions please call me at (304) 420-1119 or you can reach me at dwhite@hgenergyllc.com.

Very truly yours,

Diane C White
