Form IR-11A

Rev. 8/21/2013

State of West Virginia
Office of Oil and Gas

INSPECTORS REPORT

Operator: Consolidation Coal Company

API Number: MC-144 51-01154

Findings:

My inspection today finds Coastal Drilling plugging contractor on site finishing setting the cement to surface using Omega Cement Service.

A similar operation will take place earlier today on CBM well 51-01098.

No environmental issues are observed.

Does this inspection identify any dust issues? ☐ **Yes** ☐ **No.** **If Yes, explain.**

Jim Nicholson

Oil & Gas Inspector
