Re: GPC #1129

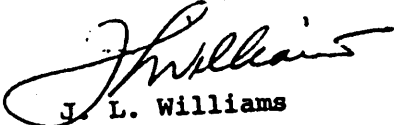

Gentlemen:

Enclosed is plat showing the approximate location of the well owned by Arlie & Iva Wright located in Clay District, Monongalia County, West Virginia.

This well was drilled many years ago by the Randall Gas Company or by Monongahela West Penn Public Service Company, who purchased the Randall Gas Company about the time the well was drilled (1925-1928). (The Monongahela West Penn Public Service Company later became the Monongahela Power Company sometime in the early 1940's.) In 1950 Hope Natural Gas Company purchased this leasehold estate. In 1957 Hope Natural Gas Company sold the leasehold estate to A. M. Snider (July 2, 1957) on October 1, 1957 A. M. Snider sold to Arlie and Iva P. Wright.

We are unable to furnish you with a drilling permit number.

Very truly yours,

J. L. Williams
