AFFIDAVIT

STATE OF WEST VIRGINIA
County of Monongalia

W. A. Snyder and Donald Snyder
being first duly sworn according to law depose and say that they are experienced in the work of plugging
Monongahela West Fern
and filling of gas wells and were employed by Public Service Company, oil company,
and participated in the work of plugging and filling the above well, that said work was commenced on the
25th day of July, 1920, and that the well was plugged and filled in
the following manner:

- Manner in which said well was plugged: Filled hole with sand and clay stems from 1200
ft. (bottom of hole) to 1250 ft. Drove long
wooden plug at 1250 ft. chipping off gas.
Allowed to stand two days and then 2 1/2" tested.
No gas. Filled hole from this point to 1200
ft. (top of sand) with broken stone.
At 1250 ft. a lead wood plug was set and the (the
tools run to pack it down. Hole filled with fine
stone to 1200 ft. (lower bottom 6-8" casing)
Manner in which said well was plugged: 6-8" casing
cut off at top and this
amount pulled out. Hole filled with fine stone
from 1200 to top.
