Well No. Two 39° 40'
80° 05'

Address

W.H. Shuman Farm

Gentlemen:—

The undersigned well operator is about to abandon the above described well and will commence

Will notify inspector

the work of plugging and abandoning said well on the _____ day of _____, 19____,
(which date shall not be less than five days after the day on which this notice so mailed is received,
or in due course should be received by the Department of Mines.)

This notice is given you in order that your respective representatives may be present at the plugging and filling of said well. You are further notified that whether you are represented or not represented the undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours,

John Lewis *John Paul's*
Well Operator

NOTE: Upon the abandonment of all wells drilled prior to June 1, 1898, a plat prepared by a competent engineer, showing the district and county in which the tract of land is located, the names and acreage of same, the names of the owners and interests therein, and the location of the shaft to be abandoned well, determined by survey, and the course and distance of such well from two permanent points or landmarks on said tract, shall be submitted with this notice.
