WEST VIRGINIA DEPARTMENT OF MINES CHARLESTON, WEST VIRGINIA

INTER-OFFICE MEMORANDUM

TO:	ROBERT LOWIHER, INSPECTOR	DATE:	SEPTEMBER 28, 1982
FROM:	FAYE FLEET, CLERK	SUBJECT:	SHAFER OIL AND GAS, INC. WELLS

I am sending the entire contents of two Pleasants County files, PLEAS-1299 and PLEAS-1300.

This morning I talked with Mr. Gary Burdett, Investigator, West Virginia Securities Division, Office of the State Auditor and it is urgent for him to know the status of these two wells. He will need to know if the Poynter #1 has been cancelled (or if it was drilled) and if the Poynter #2 is actually producing and on line.

Mr. Burdett would like you to call him as soon as you make an on site inspection; his number is 348-2257. Please follow this call with a special report to us and I will send a Xerox copy to Mr. Burdett.

I know you have tremendous amount of work and I also realize that this territory was shifted around quite a bit during Phil Tracy's resignation.

Thank you for the extra time involving this request and if you will send the special report to my attention, I will be sure to see it. I appreciate your extra effort.

Enclosures as stated ccs: Mr. Gary Burdett
