ADDRESS

Well No. I.

Agustus & Bruce Weekley Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated June 15th 1934, made by Agustus & Bruce Weekley, to Cabin Run Oil and Gas Co, and recorded on the 22 day of June 1934, in the office of the County Clerk for said County in

Lease Book 62, page 323

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address.....day... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Cabin Run Oil and Gas Co

WELL TO BE ABANDONED

Grant District

Ritchie County

Well No. 2 (or No. 1 on the 105-acre Tract)

Augustus & Bruce Weekley Farm

Gentlemen:—

The undersigned well operator is about to abandon the above described well and will commence the work of plugging and abandoning said well on the 22d day of August, 19 38, (which date shall not be less than five days after the day on which this notice so mailed is received, or in due course should be received by the Department of Mines.)

This notice is given you in order that your respective representatives may be present at the plugging and filling of said well. You are further notified that whether you are represented or not represented the undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours,

B. L. Burge
.....
Well Operator.

NOTE: Upon the abandonment of all wells drilled prior to June 1, 1929, a plat prepared by a competent engineer, showing the district and county in which the tract of land is located, the name and acreage of same, the names of the owners of adjacent tracts, and the location of the about to be abandoned well, determined by survey, and the courses and distances of such well from two permanent points or landmarks on said tract, shall be submitted with this notice.

(Over)

PROPOSED MANNER OF PLUGGING AND FILLING WELL

(REQUIRED BY RULES AND REGULATIONS)

WEST VIRGINIA DEPARTMENT OF MINES

OIL AND GAS DIVISION

WORK ORDER

Well to be plugged and filled as follows:

WORK ORDER ARRANGED BY THE DEPARTMENT OF MINES

Total Depth 1857'

Fill with red clay from bottom 1857 - 1785' - 20' above the Squaw Sand
Wood plug 1785 - 1782'
Cement 1782 - 1772' - sealing stratum in which oil pay was found.

Continue to fill with red clay to 1592' - 20' above oil in Maxon Sand.
Wood plug 1592 - 1589'
Cement 1589 - 1584'

Red Clay 1584 - 1382' - 10' below 6-5/8" casing.
Wood plug 1382 - 1379'
Cement 1379 - 1374'

PULL 6-5/8" CASING AS THE BALANCE OF THE HOLE IS FILLED AND PLUGGED.

Continue to fill with clay to 1000' - casing seat of 8-1/4" casing
Cement 1000 - 990'

Red Clay 990 - 923' - top of Big Dunkard Sand

SET A PERMANENT BRIDGE AT 237' - casing seat of 10" casing
1 sack of cement on bridge and
Fill with red clay from 237- to surface

Erect marker such as is described in Rule 18, 1931 Regulations.

NOTE: ALL CEMENT PLUGS SHALL BE MADE OF WATER AND CEMENT ONLY. APPROXIMATELY 5 GAL WATER TO 1 SACK CEMENT.

To the Department of Mines
Coal Owner or Operator,
Lease or Property Owner.

Gentlemen:

This "work order" is submitted for your approval and concurrence and unless notified of your disapproval or non-concurrence, the undersigned will proceed with the plugging and filling of said well in the above described manner on the date stated in the notice of intention to plug and abandon the said well on opposite side of this sheet.

Very truly yours,

Well Operator.

No objections have been filed by the coal owner or coal operator, or any available adjacent lease or property owners or interposed by the Department of Mines to the manner herein described for the plugging and filling of the well above mentioned. Therefore, the same is hereby approved this 17th day

of August, 1933.

DEPARTMENT OF MINES
Oil and Gas Division

COPY TO INSPECTOR COURTNEY.

By:

NOTE: This "work order" shall be filed in triplicate, one copy for the files of the Department of Mines; one to be approved or corrected and returned to the well operator as his authority for plugging said well; and one for the well inspector.
