PROPOSED LOCATION

Clay District

Ritchie County

Well No. 1968

Noah Farley Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated March

20th, 1907, made by Noah Farley et ux, to

R. K. Jones, and recorded on the 3rd day

of August 1907, in the office of the County Clerk for said County in

Book 23, page 224

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators or coal owners at their above shown respective address ~~XXXXXXXXXX~~ on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

PITTSBURGH & WEST VA GAS COMPANY.

\*Section 3 . . . . . If no such objections be filed, or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

August 1907

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the adjacent tract and County above named, determined by survey and distance from two permanent points of land marked.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said tract or land on which said well is located, or within 500 feet of the boundary of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as aforesaid.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by section 3 of said act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said objections must be filed in a copy of this notice and accompanying plat by the Department of Mines promptly that for no longer in making such objections will be returned to them by the Department of Mines promptly as required and that all such objections must set forth as definitely as is reasonably possible the reasons or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

The next paragraph is to be considered only in District No. 3.

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners in their above shown respective addresses.

Very truly,  
PITTSBURGH & WEST VA GAS COMPANY.

By *E. A. Kirtland*  
608 Union Natl. Bank Bldg.  
Clarksburg,  
West Va.

Witness my hand and the seal of this Department of Mines at Charleston, West Virginia, this 18th day of October, 1907.

Section 3. If no such objections be filed, or be found by the Department of Mines within said period of ten days from the receipt of said notice and plat, the Department of Mines, located proposed location, the owner hereof shall forthwith issue to the well operator a drilling permit bearing the date of such plat, and no objections have been made by the coal operators to the location or depth thereof by the Department, and that the same is approved and the well operator authorized to proceed to drill at said location.
