To Whom It May Concern,

The purpose of this letter is to provide you two separate "Affidavit of Plugging and Filling Well" and "Discharge Monitoring Report" for well API #s 47-085-10267 and 47-085-09669.

I apologize for the delay in getting you this paperwork. I was under the impression that the company hired to plug these wells sent in this paperwork and that I received a copy for our files. It has come to my attention that I needed to send this paperwork in order to have the aforementioned wells properly classified as plugged.

If you have any questions, you may contact me at 304-869-3404 or by e-mail at mikehall@halldrilling.com.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Michael T. Hall", is written over a faint, larger version of the same signature.
