was this land Well No. TRENT 6 37° 55'
ADDRESS 82° 20'

Stepp + Mammona Syndicate Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under ~~grant~~ or lease dated November 1, 1944, made by Noah A. Stepp, to J. B. Kroyle, transferred to applicant, and recorded on the _____ day of _____, in the office of the County Clerk for said County in Book 31, page 415.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Wm. McKinley Trent, Trustee

Address of Well Operator }

*Section 3. If no such objections be filed or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

WELL No. 6 Trent

STEPP & MAMONCA SYNDICATE FARM

The Department of Mines received your Notice and Plat of the Well described above on the 24th day of SEPTEMBER, 1948, showing proposed location for drilling an oil or gas well.

Ten days having expired since the receipt of Notice and Plat and no objections having been made by the coal owners, coal operators, or the Department of Mines, the location is approved and permission is granted you to drill strictly in accordance with the several provisions of Chapter 22, Code of 1931, the Well to be numbered and located as above shown and more particularly as indicated on the Plat on file with this Department.

This Permit is assignable either by separate instrument, or incident to the transfer of title to the oil and gas, or of the right to drill therefore at said location, but no such assignment shall entitle the assignee to drill thereat until he shall have filed with the Department of Mines a certified, or sworn copy of the instrument assigning same, or as an incident to which such assignment was made.

In case the well is not commenced within four months from the above date, this Permit shall expire and be of no further force or effect.

WELL No. 447

DATE 1948

The Department of Mines received your Notice and Plan of the Well described above on the 15th day of April, 1948.

showing a proposed location for drilling an oil or gas well.

The data having expired since the receipt of Notice and Plan and no objections having been made by the local owners of coal and gas, the Department of Mines the location is approved and permission is granted you to drill in accordance with the several provisions of Chapter 20, Code of 1931, the Well to be numbered and located as above shown and more particularly as indicated on the Plan on file with the Department.

This Permit is assigned, either by separate instrument or in default to the transfer of title to the oil and gas, to the right to drill for gas at said location, but no such assignment shall entitle the assignee to drill thereat until he shall have filed with the Department of Mines a certified, or sworn copy of the instrument assigning same, or as an incident thereto such assignment was made.

In case the well is not commenced within four months from the above date, this Permit shall expire and be of no further force or effect.

Huntington, West Virginia

Dear Sir:

We are compelled to return your tracing for location No. 6 on the Cecil Damron Tract, Lincoln District, Wayne County because Mr. Rufus M. Reed is not a registered engineer.

A ruling by the Attorney General's office, recently revived, makes it mandatory on the Department to accept only those tracings made by registered engineers.

Please send us proper tracing as soon as possible so that permit can be issued.

Very truly yours,

Administrative Assistant

Huntington, West Virginia

Dear Sir:

We have not yet received the properly signed tracing for your location No. 6 on the Stepp and Mamona Syndicate Tract, Lincoln District, Wayne County which was returned to you September 24th for the signature of a registered engineer.

Please return tracing as soon as possible so that permit for the drilling of the well can be issued.

Very truly yours,

Administrative Assistant

Mr. Dana E. Lawson, Inspector
Oil and Gas Wells
Hamlin, W. Va.

Dear Mr. Lawson:

We have been trying since September 24th to obtain a properly signed tracing from Mr. Wm. McKinley Trent, 1400 Fifth Avenue, Huntington, West Virginia for his location No. 6 on the Stepp and Mamoco Syndicate Farm, Lincoln District, Wayne County.

Mr. Trent has never replied to our two letters and we have ^{not} received the map. Under the circumstances, we have never issued the permit for drilling.

Will you please check this location as soon as you can and if he is drilling the well, please shut down operations until he has complied with our request.

Very truly yours,

Administrative Assistant

Gentlemen:

Under date of October 21, 1948, you granted to me Permit No. WAY-612. After receiving this permit, title to the tract of land on which the well was to have been drilled was disputed and as yet has not been adjudicated, therefore, I abandoned the drilling of said well. I now desire to drill upon an adjoining tract of land.

I am surrendering and returning herewith Permit No. WAY-612, and submitting my application to drill Trent Well Number Six (No. 6) upon the new location and am attaching to my application the necessary plat.

Thanking you very kindly for your many courtesies, I remain

Yours very truly,
