CHARLESTON 4, WEST VIRGINIA

Department of Mines Oil and Gas Division State of West Virginia Charleston - 5 - W. Va.

Gentlemen:

We are enclosing Notice of Proposed Location of Oil and Gas Well, together with location plat, for our well No. 794. This will be well No. 1 on the F. M. Blankenship tract situated in Union District, Wayne County, West Virginia.

Will you please issue us a permit to begin drilling this well at your earliest convenience.

Very truly yours,

T. S. Flournoy Chief Engineer

To the Department of Mines Coal Owner or Operator, Lease or Property Owner.

Gentlemen:

This "work order" is submitted for your approval and concurrence and unless notified of your disapproval or non-concurrence, the undersigned will proceed with the plugging and filling of said well in the above described manner on the date stated in the notice of intention to plug and abandon the said well on opposite side of this sheet.

Very truly yours,

OWENS, LIBBEY-OWENS GAS DEPARTMENT

Well Operator.

No objections have been filed by the coal owner or coal operator, or any available adjacent lease or property owners or interposed by the Department of Mines to the manner herein described for the plugging and filling of the well above mentioned. Therefore, the same is hereby approved to the plugging and filling of the well above mentioned.

..., 19 60 MAY __day of_

DEPARTMENT OF MINES Oil and Gas Division

By: _ NOTE: This "work order" shall be filed in triplicate, one copy for the files of the Department of Mines; one to be approved or corrected and returned to the well operator as his authority for plugging said well; and one for the well inspector.
