GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated July 30th, 1957, made by Lafayette Ferguson, to E. L. Lusher, and recorded on the 20th day of August, 1957, in the office of the County Clerk for said County in Book 47, page 299.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

ADDRESS

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named tract or tract of land for oil and gas having the title thereto (or as the case may be) under lease or lease dated

July 30th, 1937

made by Lafayette Ferguson

and recorded on the 30th day of August, 1937

in the name of E. I. Lusher

Book 47, page 299

The enclosed plan was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the adjacent lands and County above named, determined by survey and courses and distances from two permanent points on land made

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said tract or tract of land on which said well is located or within 500 feet of the base of the same, who have assigned their workers and field lines as required by law, excepting the coal operators or coal owners (if any) above named as aforesaid.

The above said coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 2 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plan by said Department. Said coal operators are further notified that forms for use in making such objections must be furnished by the Department of Mines promptly on request and that all such objections must be filed as aforesaid in as reasonable a manner as possible. The grounds on which such objections are based and indicate the location and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only by Department's copy)

Copies of this notice and the enclosed plan were mailed by registered mail or delivered to the above named coal operators or coal owners at their above shown respective addresses on the 25th day of August, 1937, with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,
