July 22, 1959 Mr. James W. Pack Hamlin, West Virginia Dear Mr. Pack: Mr. Clifford Mills called me last week and said he had contacted you about the plugging of a Berea-Grit Well in Wayne County and he promised to put the well record and application forms in the mail that evening. To date I have never received this information. I checked your weekly reports and find nothing to show that anyone contacted you about the plugging. Will you call on Mr. Mills and have him file this immediately? They were to complete plugging only to 1909 feet from a total depth of 1993 feet and wait for their permit from this office before proceeding. Very truly yours, Crawford L. Wilson, Director DEPARTMENT OF MINES Assistant Director OIL AND GAS DIVISION MG/ds cc Mr. Clifford Mills 08/25/2023 A:10.
