GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated.....

June 29, 1936., made by Jackson Hostutler Heirs, to Null & Moorhead Gas Company, and recorded on the 24th. day of July 1936., in the office of the County Clerk for said County in

Book 31-A, page 222 - 224

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators (if any) above named as addressees.

The above named coal operators (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators at their above shown respective address..... day - before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Null & Moorhead Gas Co.

*Section 3 If no such objections be filed, or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

NOTICE OF PROPOSED LOCATION OF OIL AND GAS WELL
 WEST VIRGINIA DEPARTMENT OF MINES
 OIL AND GAS SECTION

To The Department of Mines
 Charleston, W. Va.

NAME OF WELL OPERATOR: Hill & Moorhead Gas Company, Pittsburg, Pa.
 COMPLETE ADDRESS: Hundred, West Virginia.
 PROPOSED LOCATION: August 13, 1936
 DISTRICT: Church
 COUNTY: Wayne
 WELL NO.: 1 42 51
 ADDRESS: Jackson Hostetler Heirs Farm

GENTLEMEN:
 The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas having the title thereto. (or as the case may be) under grant or lease dated June 29, 1936 made by Jackson Hostetler Heirs to Hill & Moorhead Gas Company and recorded on the 24th day of July 1936 in the office of the County Clerk for said County in Wayne page 222 - 224 31-A

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Mineral District of Wayne County above named, determined by survey and courses and distances from two permanent points or land markers.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal in the said farm or tract of land on which the well is located or within 50 feet of the bottom thereof. He has caused the well location and the farm maps as required by law, excepting the coal operators (if any) above named as addresses.

The above named coal operators (if any) are notified that any objection they may desire to make to the proposed location, or which they are required to make by Section 8 of said Act if the drilling of a well at the proposed location will cause a dangerous condition in or about their respective coal mines, must be received by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for filing such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as distinctly as is reasonably possible the ground or grounds on which such objections are based and indicate the distance and distance the proposed location should be placed to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail or delivered to the above named coal operators at their above shown respective addresses on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Hill & Moorhead Gas Co.
