GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated.....

FEBRUARY 29th, 1932, made by CLARENCE BLATT, et al., to

CARNEGIE NATURAL GAS COMPANY, and recorded on the 4th day

of APRIL, 1932, in the office of the County Clerk for said County in

Book 27-A, page 215.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address.....day.... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Gentlemen:

Some time in 1937, the Carnegie Natural Gas Company applied to your department for permission to drill their well #1521 and your department granted them permit WET-154 on the O. D. Nutter farm.

It is our intention to reopen this foreign well 14080 for storage purposes and we would like to have you grant us permission to recondition this well. We do not as yet have a lease for this farm and we do not have any records for this well from the Carnegie Natural Gas Company, therefore we cannot fill out any forms necessary in usual applications. If you would desire us to obtain any additional information than above listed, please advise and we will do our best to grant your request. Your earliest reply would be appreciated.

Gentlemen:

Some time in 1937, the Carnegie Natural Gas Company applied to your department for permission to drill a well with 1 1/2" and 2" diameter gas holes on the O. N. Miller farm.

It is our intention to reopen this foreign well 1400 for exploratory purposes and we would like to have an order of permission to re-open this well. We do not as yet have a lease for this farm and we do not have any records for this well from the Carnegie Natural Gas Company, therefore we cannot fill out any forms necessary in travel applications. If you would desire us to obtain any additional information than have listed, please advise and we will do our best to grant your request. Your earliest reply would be appreciated.

Dear Mr. Cooper:

We acknowledge receipt of your letter of July 7 in regard to re-opening Carnegie Natural Gas Company's Well No. 2-1521 on the Clarence Elatt Farm, Proctor District, Wetzel County for storage.

Even though you do not yet have a lease for the tract, we must have formal application in order to issue a permit. Any work done on the property without lease, is of course, the responsibility of your Company and we have no doubt that these matters will be worked out satisfactorily.

Please sign the enclosed prepared form and return to us immediately. When the lease has been made and recorded, please send us the additional information so that the application form can be completed.

Very truly yours,
