ADDRESS

Well No. 1 <sup>390 45'</sup> <sub>80' 25'</sub> 71.25ac

E.S. Lough Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, ~~having fee title thereto, (or as the case may be)~~ under grant or lease dated

May 24, 1937, made by E.S. Lough & Wife, to

Browns Run Gas Company, and recorded on the 2nd day

of August 1937, in the office of the County Clerk for said County in

Book 31-A, page 450.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators (if any) above named as addressees.

The above named coal operators (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators at their above shown respective address day before or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

Browns Run Gas Company

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas ~~under the provisions of the laws of this State~~ under grant or lease dated ~~.....~~ May 24, 1927, made by E. S. Lough & wife to ~~.....~~ Brown Run Gas Company, and recorded on the ~~.....~~ Sub. day of August 1927 in the office of the County Clerk for said County in ~~.....~~ Book 21-A, page 450.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Mineral District of ~~.....~~ and County above named, determined by survey and courses and distances from two permanent points or landmarks. The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said land or tract of land on which said well is located, or within 500 feet of the boundary lines of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operator, if any, above named as addressee. The above named coal operator, if any, are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act in the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, to be removed by or filed with the Department of Mines within ten days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same. (The next paragraph is to be completed only in Department's copy.) Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators at their above shown respective addresses ~~.....~~ on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.
