#### NOTICE OF PROPOSED LOCATION OF OIL AND GAS WELL

TO THE DEPARTMENT OF MINES, Charleston, W. Va. Hope Natural Gas Company No coal operations in vicinity. COAL OPERATOR OR COAL OWNER NAME OF WELL OPERATOR Clarksburg, W. Va. COMPLETE ADDRESS ADDRESS March 28, -, 1931 Surface Owner operator or coal owner PROPOSED LOCATION Valentine Blatt, Proctor, W. Va. R #1. Proctor District ADDRESS Wetzel County OWNER OF MINERAL RIGHTS 390451 800401 8533 Well No .\_\_ ADDRESS Valentine Blatt Farm GENTLEMEN: The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated 5-5-1936 \_\_\_, made by Valentine Blatt et al. Hope Natural Gas Company , and recorded on the 22nd day of June, 1936 \_\_\_\_, in the office of the County Clerk for said County in Book 31-A , page 143 The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks. The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees. The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same. (The next paragraph is to be completed only in Department's copy.) Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address day -- before, er on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia. Very truly yours ope Natural Gas Company, General Supt. WELL OPERATOR STREET Address of Well Operator CITY OR TOWN 10/13/2023 Section 3. . If no such objections be filed or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

#### PROPOSED MANNER OF PLUGGING AND FILLING WELL

(REQUIRED BY RULES AND REGULATIONS)

### WEST VIRGINIA DEPARTMENT OF MINES

## OIL AND GAS DIVISION WORK ORDER

Well to be plugged and filled as follows: ( PARTIAL PLUGGING REQUEST)

sing
ing

To the Department of Mines and Mines

#### Gentlemen:

This "work order" is submitted for your approval and concurrence and unless notified of your disapproval or non-concurrence, the undersigned will proceed with the plugging and filling of said well in the above described manner on the date stated in the notice of intention to plug and abandon the said well on opposite side of this sheet.

Very truly yours,

THE MANUFACTURERS LIGHT AND HEAT COMPANY

ASST. LAND AGENT Wightness truly yours,

THE MANUFACTURERS LIGHT AND HEAT COMPANY

No objections have been filed by the coal owner or coal operator, or any available adjacent lease or property owners or interposed by the Department of Mines to the manner herein described for the plugging and filling of the well above mentioned. Therefore, the same is hereby approved this 10/13/2023

2nd day of September, 1953 ,19

DEPARTMENT OF MINES
Oil and Gas Division

By: Chtke

NOTE: This "work order" shall be filed in triplicate, one copy for the files of the Department of Mines; one to be approved or corrected and returned to the well operator as his authority for plugging said well; and one for the well inspector.

February 19, 1954 The Manufacturers Light & Heat Company 800 Union Trust Building Pittsburgh, Pennsylvania Att: Mr. Ben S. Cooper, Land Agent Gentlemen: We are in receipt of your application proposing to reopen Well No. 1-4238 formerly Hope Natural Gas Company's Well No. 8533 on the Valentine Blatt Farm, Proctor District, Wetzel County, originally drilled under permit WET-252. With your application to redrill this well, was your letter dated February 17 inquiring if a tracing was necessary, and wish to advise that this will not be required. Filed with the above data, were two copies of the well record indicating the drilling this well for storage was completed August 4, 1953, by your Company. Has the redrilling of the well already been completed or, is 2112' the final depth reached in your partial plugging of the well? Is it your intention to drill below 2112? Very truly yours, Administrative Assistant OIL AND GAS DIVISION cc: Oliver W. Lineberg, Inspector 10/13/2023
