M. Barr

Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated 5-10-1917

made by Parker & Edwards Oil Company, to Carter Oil Company, and recorded on the 31st day of May 1917, in the office of the County Clerk for said County in

Book 9-A, page 433.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten\* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address \_\_\_\_\_ day \_\_\_\_\_ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours, Hope Construction & Refining Company

Address of Well Operator }

\*Section 8. If no such objections be filed or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

The undersigned well operator is advised in full upon the above named town or tract of land for oil and gas having the title thereto, for as the case may be under grant or lease dated 1-15-1911 made by W. H. HARRIS & COMPANY and recorded on the 15th day of NOVEMBER 1911 in the office of the County Clerk for said County in Book 1-1 Page 100

The enclosed plan was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the town and in the Mineral District and County above named, determined by survey and distance from two permanent points on said town.

The undersigned well operator is informed and believes there are no coal operators operating both of said town or tract of land or either of them, and that no other persons are engaged in the mining of coal on the same, and that no other persons are engaged in the mining of coal on the same.

The above named coal operators or coal owners (if any) are notified that any objections they may have to make to such proposed location, in which they are required to make by Section 2 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition on or about their respective coal mines, must be received by the Department of Mines within ten days from the receipt of a copy of this notice and recorded in the office of the Department of Mines. Further notified that notice for gas or natural gas and petroleum will be furnished to them by the Department of Mines on request and that all such objections must be made in writing and that the same shall be moved to some other location should be moved to some other location.

The next paragraph is to be recorded only in Department 2 (part). Copies of this notice and the enclosed plan were mailed by registered mail or delivered to the above named coal operators or coal owners at their above given or positive addresses, and a copy of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,  
W. H. HARRIS & COMPANY

West Virginia Department of Mines,  
Oil and Gas Division,  
Charleston, W. Va.

Attention: Marie E. Griffith, Secretary.

PERMIT No. WET-272.

Dear Sirs:

We enclose, in duplicate, log of well #10-3731 drilled by the Hope Construction and Refining Company on the Mike Barr farm in Grant District, Wetzel County, West Virginia, under the above permit.

The well was drilled by the Hope Construction and Refining Company to a depth of 2412' and at this depth was taken over by the Carnegie Natural Gas Company and completed at a depth of 3158'.

We are, therefore, filing the log of the well in our name and have assigned #7-1572 to the well.

Yours very truly,

CARNEGIE NATURAL GAS COMPANY,

*B. H. Archer*

Land Agent.
