Well No. 2-2 ^{39° 40'} _{80° 25'}

R. L. & John Lowe Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated September 13, 1950, made by Dave Lowe, Agent, to W. S. Hinerman, and recorded on the 21st. day of September 1950, in the office of the County Clerk for said County in Book 39-A, page 421.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

WS Hinerman

Mr. C. N. Hall,
Administrative Assistant,
Oil and Gas Division.

Dear Sir-: In compliance with your letter of October 25th; to Mr. W. S. Hinerman, c/o Mr. Ray Ice, R. F. D.#1, Mannington, West Virginia; will say that I am herewith encloseing a new drawing of the wells, that Mr. Hinerman, desires to drill on the R. L. and John Lowe, 98 acre farm in Grant District Wetzel County.

If Mr. Hinerman, had brought the drawing to me, I could of corrected the Original Drawing very easly, but he tried to correct it himself, and got it marked up so I had to make a new drawing.

I regret very much that I made this error; but the wells were so close together that I thought one cross would answer for all of them.

Trusting that this new drawing will give the necessary information required by you, I am Yours very truly,

J. M. Cochran
