PROPOSED LOCATION
Walker District

Wood County

Well No. *1.*

Sarah Lemley Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated *2-13-30.*

Lease, made by *Sarah Lemley*, to

John Lentin, and recorded on the *11th* day

of *March, 1930.*, in the office of the County Clerk for said County in

Book *201.*, page *512.*

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators (if any) above named as addressees.

The above named coal operators (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Act, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above

named coal operators at their above shown respective address.....day.... before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,
J. B. Pierson
John Lentin
W. H. Jonas

*Section 3. If no such objections be filed, or be found by the department of mines, within said period of ten days from the receipt of said notice and plat by the department of mines, to said proposed location, the department shall forthwith issue to the well operator a drilling permit reciting the filing of such plat, that no objections have been made by the coal operators to the location, or found thereto by the department, and that the same is approved and the well operator authorized to proceed to drill at said location.

Mr. J. B. Pierson
Cairo, W. Va.

Dear Sir:

We regret that it is necessary to return your application for additional information.

Whether or not there is coal underlying the tract of land about to be drilled, you should give the name and address of the party or parties who would own the coal or other minerals if any were encountered in the drilling of this well.

Please supply this information and return promptly in order to avoid delay and oblige.

Yours very truly

February 27, 1931

Sarah Lemley
Cairo, W. Va.

Gentlemen:

A notice of a proposed location of an oil or gas well, No. 1 Sarah Lemley Farm, Walker District Wood County, has been received by this Department from the Pierson-Leeten-Jonas Company, of Cairo, West Virginia, as of this date. A copy of this notice with an attached map should have been mailed you by the Well Operator.

Whether or not it is your intention of filing objections to this Department regarding the proposed location, it will be necessary for you to submit to the Department of Mines on or before March 9, 1931 a section of your mine map (Preferably of 200-500 feet scale) showing this proposed location in relation to your present mine workings or projected developments if the workings or projected developments are within 1000 feet of the proposed locations.

If from the location of the above proposed well, it is apparent that the well will penetrate unworkable coal seams, barren areas, or does not fall within the scope of your present projected developments, advise this Department to that effect in lieu of the above mentioned map.

Very truly yours,

Chief of Department of Mines.
