PROPOSED LOCATION

Union District

Wood County

Well No. 1 ^{39° 20'} _{81° 25'}

R. L. McKibben Farm

GENTLEMEN:

The undersigned well operator is entitled to drill upon the above named farm or tract of land for oil and gas, having fee title thereto, (or as the case may be) under grant or lease dated November 26, 1943, made by R. L. McKibben & Eunice E. McKibben his wife to W. H. Bickel, and recorded on the 2 day of December 1943, in the office of the County Clerk for said County in Book 250, page 535.

The enclosed plat was prepared by a competent engineer and shows the proposed location of a well to be drilled for oil and gas by the undersigned well operator on the farm and in the Magisterial District and County above named, determined by survey and courses and distances from two permanent points, or land marks.

The undersigned well operator is informed and believes there are no coal operators operating beds of coal beneath said farm or tract of land on which said well is located, or within 500 feet of the boundaries of the same, who have mapped their workings and filed their maps as required by law, excepting the coal operators or coal owners (if any) above named as addressees.

The above named coal operators or coal owners (if any) are notified that any objections they may desire to make to such proposed location, or which they are required to make by Section 3 of said Code, if the drilling of a well at said proposed location will cause a dangerous condition in or about their respective coal mines, must be received by, or filed with the Department of Mines within ten* days from the receipt of a copy of this notice and accompanying plat by said Department. Said coal operators are further notified that forms for use in making such objections will be furnished to them by the Department of Mines promptly on request and that all such objections must set forth as definitely as is reasonably possible the ground or grounds on which such objections are based and indicate the direction and distance the proposed location should be moved to overcome same.

(The next paragraph is to be completed only in Department's copy.)

Copies of this notice and the enclosed plat were mailed by registered mail, or delivered to the above named coal operators or coal owners at their above shown respective address _____ day _____ before, or on the same day with the mailing or delivery of this copy to the Department of Mines at Charleston, West Virginia.

Very truly yours,

W. H. Bickel

Dear Mr. Bickel:

We are in receipt of your application and tracing for proposed location No. 1 on the R. L. McKibben Farm, Union District, Wood County

The application is not complete in that data on the lease, when recorded, etc., has not been given. We are enclosing an application form, checking off these items and would appreciate your giving us this information so that we can complete the form just received from you.

Very truly yours,

Secretary

Mr. C. N. Hall,
Administrative Assistant,
Oil and Gas Division.

Dear sir:

For your information, due to the death of W.H. Bickel, the well for which permit WOO-215, on the R.L. McKibben Farm, Union District, Wood County, Has never been completed. This well was drilled to a depth of 60' in 1946. Drilling operations will be resumed in 1948. Will it be necessary to file for a new permit?

Yours truly,

Harry A. Holliday

Inspector to be notified JOHN E. LOWTHER / HARRISVILLE, W. VA. Telephone Number 135
24 HOURS IN ADVANCE OF PLUGGING DATE

Gentlemen:—

The undersigned well operator is about to abandon the above described well and will commence the work of plugging and abandoning said well on the date inspector is notified (which date shall not be less than five days after the day on which this notice so mailed is received, or in due course should be received by the Department of Mines).

This notice is given you in order that your respective representatives may be present at the plugging and filling of said well. You are further notified that whether you are represented or not represented the undersigned will proceed on that date, or shortly thereafter, to plug and fill said well in the manner required by Section 10, Article 4, Chapter 22 of the Code and given in detail on the reverse side of this notice, in "Work Order."

This notice is being mailed by registered mail to each of you at the above addresses on the above date.

Very truly yours,

Well Operator

NOTE: Upon the abandonment of any well drilled prior to June 1, 1929, a plat prepared by a registered engineer, shall be filed with THREE COPIES OF APPLICATION, (OG-9) AND "WORK ORDER" AND TWO COPIES OF THE WELL RECORD, (OG-10). The map must show the district and county in which the tract of land is located, the name and acreage of same, the name or names of the owners and names of adjacent tracts and the location of the well to be abandoned, determined by survey with the courses and distances of such well from two permanent points or landmarks on said tract.

12/22/2023

NOTE: In case plugging is not commenced within four months from the date of permit, same shall expire and be of no further force or effect.

NOTE: PERMIT IS NOT TRANSFERABLE.

PROPOSED MANNER OF PLUGGING AND FILLING WELL

(REQUIRED BY RULES AND REGULATIONS)

WEST VIRGINIA DEPARTMENT OF MINES

OIL AND GAS DIVISION

WORK ORDER

Well to be plugged and filled as follows:

Total depth of hole 2015'. Fill with clay from total depth to 1995.

Heat cement 1995-1985. 5 ft crushed stone sealing off Berea. Continue filling with clay to 50' below 6 5/8 casing 1575' 1659'

Lift 6 5/8 casing, as hole is filled with clay, cement to 1480, which is 20' above Injun sand.

Heat cement from 1480-1470. 5 ft of crushed stone. Fill with clay.

Set a permanent bridge at 1265'. Two sacks of neat cement, 5 ft crushed stone

Fill with clay to 865'. Heat cement 10'.

Pull balance of 6 5/8 casing. Set permanent bridge at 277 ft. Two sacks neat cement, 5 ft crushed stone. Fill with clay to surface.

Erect marker as described in Rule 18.

To the Department of Mines
Coal Owner or Operator,
Lease or Property Owner.

Gentlemen:

This "work order" is submitted for your approval and concurrence and unless notified of your disapproval or non-concurrence, the undersigned will proceed with the plugging and filling of said well in the above described manner on the date inspector is notified after permit is issued.

Very truly yours,

Well Operator

No objections have been filed by the coal owner or coal operator, or any available adjacent lease or property owners or interposed by the Department of Mines to the manner herein described for the plugging and filling of the well above mentioned. Therefore, the same is hereby approved this

12nd day of October, 1957.

DEPARTMENT OF MINES
Oil and Gas Division

By: Marie E. Griffith

NOTE: This "work order" shall be filed in triplicate, one copy for the files of the Department of Mines; one to be approved or corrected and returned to the well operator as his authority for plugging said well; and one for the well inspector.

Harry A. Holliday, Superintendent
W. H. Bickel
RFD #4
Parkersburg, West Virginia

Dear Mr. Holliday:

We are in receipt of your letter of October 18th advising us that Well No. 1 on the R. L. McKibben Farm, Union District, Wood County has never been completed.

We have renewed your permit WOO-215 which is extended to February 21, 1948. If drilling cannot be resumed by that time, another renewal should be requested.

Very truly yours,

Secretary
